

for \$10 in

Dear Friends and Family -

Do you have \$10 to help sponsor 10 minutes of an HTC production in 2010? Heritage Theatre Company, as with most community theatres and non-profit organizations, offsets only a small percentage of production costs by ticket sales. It is the generous contributions of the community and people like you who support the performing arts that allow us to continue to grow and offer expanded opportunities. We need your help - remember, each contribution is tax deductible.

Now in our 14<sup>th</sup> consecutive season, Heritage Theatre Company has again partnered with the Tara Event Hall to present our 2009-2010 season! Our board is currently made up of 10 working members that meet on a monthly basis. Each show is produced by board members, each actively involved in several aspects of each production.

Our mission is to present affordable, quality theatre in which the entire community can be involved. It is our goal to continually offer opportunities for all ages in every aspect of theatre to explore and promote talents in the performing arts from stage performance to technical skill, from organization to direction, from teaching to mentorship.

Our goal is to raise \$10,000; by asking you to contribute \$10 for every 10 minute segment you would like to sponsor in 2010, we hope to reach our goal by December 31, 2009. Consider sponsoring an act or two! With your contribution you will also be helping our grant writing efforts as many grantors will match the funds of community donors. As a special thanks, we will include your name on our website and each of our programs for the entire season. Simply return your donation to:

2515 White Bear Avenue  
A8-202  
Maplewood, Minnesota 55109

Your return check will be your receipt. Thank you so much for your support and we'll see you at the theatre soon!

Heritage Theatre Company 2009-2010 Board of Directors
